Romford BID announces support for 'Give a Child a Christmas' appeal

Romford BID is pleased to announce that it will once again be supporting Time FM's annual 'Give a Child a Christmas' campaign, which gifts donated toys and presents to under-privileged children across Havering, Barking and Dagenham and Redbridge.

People wishing to donate presents to the appeal can do so at the Time FM studio in the Liberty shopping centre, GBP Estates in Victoria Road. The Body Shop, located on South Street will also be collecting donations for this year's campaign.

Donations will be accepted up until Friday 15th December in order to give time for distribution.

Those wishing to make an online donation to support the appeal can do so via the appeal's Go Fund Me page - <https://gofund.me/63a11240> which is being run by Romford BID. All of the money raised online will be used to buy toys from local shops, many of whom have kindly agreed to offer discounts to Romford BID to purchase the toys and gifts needed.

All toys and gifts will be distributed to those in need via charities such as Women's Aid, Salvation Army, Peabody Trust, Havering Social Services, Queens and King George's Hospitals and many others ahead of Christmas Day.

The 2022 Give a Child a Christmas campaign meant that over 3000 local children received a gift with the funds raised – an incredible achievement and testament to the generosity within the Romford community.

This year, the appeal aims to reach more children in need and welcomes any physical gift or online funding donations.

Julie Frost Romford BID Director said, *"The 'Give a Child a Christmas' campaign is very special appeal and we are incredibly proud to be supporting it once again. The generous donations make a huge difference in the local community so we hope everyone can support it as much as possible."*
